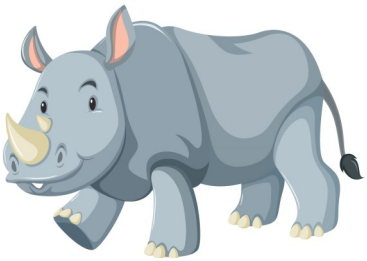
ENDANGERED WILDLIFE TRUST
Protecting forever, together.

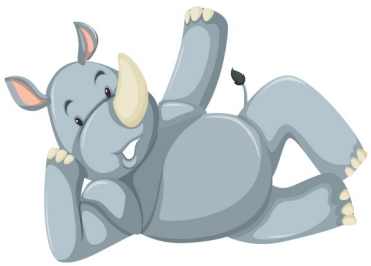
Guardians of the Future Programme

Count the animals
Graph the animals
Add the animals
Subtract the animals

Using numbers 1–5

Grade 2

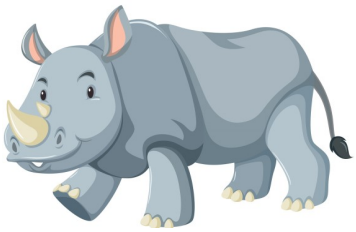




Name:

Count the animals

Count the number of each animal pictured and write that number in the box below. Then use those numbers to complete the rest of this activity.



Animal	Wild Dog	Rhino	Bullfrog	Crane	Owl
How many?

Add the animals

How many animals did you count in the counting workshop? Fill in the number that matches each animal and solve each equation

	+		=	
	+		=	
	+		=	
	+		=	
	+		=	

ENDANGERED WILDLIFE TRUST
Protecting forever, together.

Add the animals

How many animals did you count in the counting workshop? Fill in the number that matches each animal and solve each equation

	+		=	
	+		=	
	+		=	
	+		=	
	+		=	
	+		=
